Welcome back to the start of a new school year.

All the children have returned to school very keen and ready to tackle the challenges ahead. They are all looking very smart in their uniforms, so thank you for your hard work in getting them organised. Over the holidays we have had a daily mile track added & a new log climber. Early Years have had a refurb and we have had interactive white boards replaced in Y2 & Y6. This all makes sure our school is up to date with current practice and a wonderful place for children to learn

We are looking forward to the busy term ahead with various sporting activities, trips and events.

Mrs Carlton

A quick reminder about pierced ears. We have a few children who are still unable to take their earrings out after having their ears pierced. If this is the case children need to have their ears covered (micro tape) in school & particularly for PE.

One of our parents has told us that you can buy clear plastic ear retainers on ebay or amazon very cheaply. These seem to really work and take away the need for micro-tape and are safe in school.

Sport @ Bewley

Well done our cross country team who performed very well at the Billingham cross country event this week. We had 13 children qualify for the Stockton finals including Thomas McCartie who won the Y3/4 race.

Harvey & Kian in Y6 have also made it to the District/County team for under 11 football. There are many heats & trials before being selected and they have both done really well

End of Key Stage Results

Below you can see our provisional results for the end of the school year 2016-2017.

We are very pleased to say that we are above the National and Local Authority results. This is an excellent achievement in a year when the tests were more difficult and there were many changes in education.

However this would not be the case without the hard work of the pupils and teachers throughout all the year groups in school. A big thank you to them all.
