Welcome back to the start of a new school year.

All the children have returned to school keen and ready to tackle the challenges ahead. They are all looking very smart in their uniforms, so thank you for your hard work in getting them organised. Over the holidays we have had a dipping pond added to our forest school area and upgrades on our IT systems. This all makes sure our school is up to date with current practice and a wonderful place for children to learn

We are looking forward to the busy term ahead with various sporting activities, trips and events.

Mrs Carlton

PD Day Friday 27th September 2019

School will be closed on Friday 27th September for Staff First Aid Training.

A quick reminder about pierced ears. We have a few children who are still unable to take their earrings out after having their ears pierced. If this is the case children need to have their ears covered (micro tape) in school & particularly for PE.

One of our parents has told us that you can buy clear plastic ear retainers on ebay or amazon very cheaply. These seem to really work and take away the need for micro-tape in school.

End of Key Stage Results

Below you can see our provisional results for the end of the school year 2018-2019.

We are very pleased to say that we are above the National and Local Authority results. This is an excellent achievement in a year when the tests were more difficult and there were many changes in education.

However this would not be the case without the hard work of the pupils and teachers throughout all the year groups in school. A big thank you to them all.
